Visioneer

PATRIOT™ 430

MAKE YOUR PAPER MORE PRODUCTIVE.

- TAA Compliant
- Scans 18 pages per minute in simplex and 36 images per minute* in duplex
- Compact Duplex Scanner holds 50 pages ADF capacity
- Convert documents into searchable PDF files with OneTouch
- 9 OneTouch pre-programmed "scan-to" destinations

*200 dpi, black & white

Do you want to do more with the paper on your desk? Would you like to copy it, collate it, file it, search it, mail it and make it disappear? Sounds time consuming doesn't it? How about if you could do all that with just one touch? The TAA Compliant Visioneer® Patriot™ 430 can do all this and more.

The Patriot 430 includes Visioneer OneTouch® technology, and an advanced TWAIN™ driver that will allow you to communicate with hundreds of enterprise content management (ECM) and document image management (DIM) software solutions with the press of a single button. It will not only make your paper more productive but make you look good too.

Document imaging is rapidly growing in nearly every business, and as more users and companies adopt scanning solutions at the desktop, it has become clear that ease-of-use is a key feature. Most new users in document imaging are not scanner experts, so simplified, point-and-click solutions that deliver high quality images and integration with business applications are in demand. The Patriot 430 is a Hi-Speed, duplex color

scanner that offers convenience and connectivity. With an amazingly small footprint, the scanner fits comfortably on any desk making it the perfect solution for small and large paper-intensive businesses that desire the capability to quickly convert paper documents into searchable PDF files that are easily shared, organized and protected, including corporations within the banking, education, energy, financial, government, healthcare and manufacturing industries. The Patriot 430 features reliable paper-handling from business cards and checks to legal-sized documents.

The Visioneer Patriot 430 color scanner scans up to 36 images per minute (ipm) in duplex mode, includes a 50-page automatic document feeder and has the ability to automatically scan documents into searchable PDF files through a Hi-Speed USB 2.0 connection. The Visioneer Patriot 430 was designed specifically for desktop use and incorporates Visioneer OneTouch technology for eliminating multiple steps in sending scanned documents to predetermined applications or devices.

TAA COMPLIANT

PATRIOT™ 430

PATRIOT 430 INCLUDES THESE SOFTWARE SOLUTIONS

Visioneer OneTouch

Visioneer® OneTouch® technology allows users to easily set the "destination" of their scanned documents by pressing a button and selecting one of nine pre-programmed (or user-customizable) scan settings. "Destination" examples include scan to searchable PDF, scan to e-mail, scan to print, scan to archive, scan to network, and scan to OCR. It works seamlessly with Kofax® VRS™ software, which is also compatible with the Patriot 430.

Scan to Searchable PDF

The Visioneer Patriot 430 includes a software bundle that allows users to automatically scan to image-over-text searchable PDF. Searchable PDF maintains the visual integrity of the original document, with the text portions of the image converted via OCR for search purposes and stored in a separate layer. This allows for low-cost conversion from paper to PDF, while permitting easy distribution and ability to search, link, select/copy and index the text.

Nuance® OmniPage®

The fastest way to organize receipts, expense reports, documents, and photos. Nuance OmniPage® provides thumbnails for popular electronic files with a built-in viewer for PDF, Word, Excel, and Word Perfect documents.

Nuance® OmniPage®

Nuance PaperPort® combines the efficiency of document management, the convenience of superbly scanned documents and the power of creating PDF files, to bring a new level of operational proficiency to your workflow.

Package Contents

- Visioneer Patriot 430 Scanner
- Power Supply
- USB 2.0 Cable
- Quick Install Card
- Technical Support Card
- CD-ROM including:
  – User's Manual
  – Scanner Driver: TWAIN™
  – Nuance PaperPort
  – Nuance OmniPage Pro
  – ArcSoft PhotoImpression
  – Visioneer OneTouch Technology

Minimum System Requirements

- Pentium 4 PC or equivalent processor
- Windows® 8 / 7 / XP® / 2000
- 512 MB RAM for Windows 2000 and XP
- 1GB RAM for Windows Vista and later:
- 360 MB available hard disk space
- CD-ROM drive
- USB port

Scanner Specifications

Model Number	P4301D-WU
Scan Speeds:	
B&W @ 200 dpi	Up to 18 ppm simplex / 36 ipm duplex
Color @ 150 dpi	Up to 18 ppm simplex / 36 ipm duplex
Optical Resolution	600 dpi
Output Bit Depth (internal)	(Color) 48-bit (16-bit A/D converter recognizes over 281 trillion colors)
Scan Method	Fast Duplex Sheetfed
Interface	Hi-Speed USB 2.0 (USB 1.1 compatible)
Dimensions:	
Scanner only	11.8" x 6.2" x 5.5" (300 x 157 x 140 mm)
With trays	11.8" x 17.5" x 12" (300 x 445 x 305 mm)
ADF Maximum Document Size	8.5" x 14" (216 x 355 mm)
ADF Minimum Document Size	3.5" x 2" (89 x 51 mm)
ADF Capacity	50 sheets (20 lb., 75-80 g/m^2 paper)
Duty Cycle	2,500 pages/day
Weight:	
Scanner only	6.2 lb (2.8 kg)
With trays	7 lb (3.2 kg)
