**Scan resolution:** Up to 1200 x 1200 dpi hardware; 1200 dpi optical  
**Copy resolution:** 300 x 300 dpi black (text and graphics); 600 x 600 dpi color (text and graphics)  
**Display:** 3.5" (8.89 cm) Capacitive touchscreen color graphics  
**Standard connectivity:** 1 USB 2.0; 1 WiFi 802.11b/g/n; 1 Ethernet; 1 RJ-11 fax  
**Paper handling:** 125 sheet main input tray, 15 sheet photo tray; 25-sheet output tray  
**Duty cycle:** Up to 1000 pages

## Work smarter with the Neat® Organization System<sup>1</sup>

- Automatically organize scanned documents using included Neat® cloud-based service.<sup>1</sup>
- Safeguard data in the cloud and 1 TB of included storage—with access from anywhere you're connected.<sup>1</sup>
- Organize information from scanned receipts, business cards and documents for quick, easy searching.
- Easily export important data to essential programs like Microsoft® Excel®, TurboTax and Quicken.

## Mobile printing plus office productivity

- The easiest way to print from your smartphone or tablet with or without a router or local wireless network.<sup>7</sup>
- Time saving productivity features include the 25-page automatic document feeder and two-sided printing.
- Print 4 x 6- and 5 x 7-inch photos from mobile devices without switching paper, with the separate photo paper tray.
- Start printing and organizing quickly with easy setup from your smartphone, tablet, or PC.<sup>4</sup>

## Save up to 50% on ink with HP Instant Ink.<sup>3</sup>

- Print high-quality documents and photos in black-and-white and color—all for the same low price.
- Print lab-quality color photos in seconds for pennies, when you sign up for HP Instant Ink.
- Getting started with HP Instant Ink is quick and easy – learn more at [hpinstantink.com](http://hpinstantink.com)
- HP high-yield ink cartridges offer an additional low cost printing option for high-volume printing.<sup>9</sup>

## High productivity. Low costs.

- Access the latest business tips, news, and more with free HP Printables—delivered on your schedule.<sup>5</sup>
- Manage this HP e-all-in-one and scan on the go with the free HP All-in-One Printer Remote mobile app.<sup>6</sup>
- Easily connect to your local network and the Internet—wirelessly<sup>3</sup> or using the Ethernet port.
- Print from your iPhone®, iPad®, Android™ mobile devices, Amazon® Kindle Fire—and many more.<sup>2</sup>

<sup>1</sup> Requires Neat® account setup, printer registration, hpconnected.com account, Internet connection, and Neat® Mobile app download. Three-year cloud service subscription included with up to 45 pages of OCR searchable scans per month. Service fees with Neat® may apply after expiration. Compatible with Apple® iPhone®, iPad®, and iPod®, and most Android™ OS-based mobile devices. For details, see <http://www.hp.com/go/officejet8040>. <sup>2</sup> Local printing requires mobile device and printer to be on the same wireless network or have a direct wireless connection. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with service provider for coverage and availability in your area. See <http://www.hp.com/go/mobileprinting> for more details. <sup>3</sup> Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz routers only. <sup>4</sup> Requires HP All-in-One Printer Remote mobile app download and is compatible with iPhone® 4 and later, iPad® 4th generation, iPad mini™, iPad Air™, iPod®, and mobile devices using Android™ 4.0.3 or later. Printer and mobile device must be on the same local wireless network with Internet access. For a full list of supported operating systems, see <http://www.hp.com/go/mobileprinting>. <sup>5</sup> Requires a wireless access point and an Internet connection to the printer. Services require registration. HP Printable availability varies by country, language, and agreements, and may require a firmware upgrade. Not all HP Printables can be set up for automatic delivery and not for all printer models. For details, visit <http://www.hp.com/go/hpconnected/help/printables>. <sup>6</sup> Mobile device requires wireless access point and an Internet connection. Compatible with iPhone® 4 and later, iPad® 4th generation, iPad mini™, iPad Air™, iPod® 5G using iOS 7 or later, and mobile devices using Android™ 4.0.3 or later. Features controlled may vary by mobile device operating system. Scan/copy control requires mobile device and printer be on the same wireless network or through wireless direct connection to printer. For mobile scanning, device camera requires 5 megapixels or greater with autofocus capability. <sup>7</sup> Compared with consumer/home office inkjet printers and all-in-ones <\$399 USD as of April 2014. App download required for printer setup. Local printing requires mobile device and printer to be on the same network or have a direct wireless connection to the printer. Wireless performance is dependent on physical environment and distance from access point. Wireless operations are compatible with 2.4 GHz operations only. Remote printing requires an Internet connection to an HP web-connected printer. App or software and HP ePrint account registration may also be required. Wireless broadband use requires separately purchased service contract for mobile devices. Check with a service provider for coverage and availability in your area. See <http://www.hp.com/go/mobileprinting> for more details. <sup>8</sup> Savings claim is based on HP Instant Ink Service plan price for 12 months using all pages in plan without purchase of additional pages compared to the cost per page ("CPP") of the majority of color inkjet printers <\$399 USD, market share reported by IDC Q3 2013. CPP comparisons for standard capacity inkjet supplies are based on estimated street price and page yield as reported by Gap Intelligence MFP Weekly and IJP Weekly Reports Q3 2013. Actual savings may vary depending on number of pages actually printed per month and content of pages printed. Requires internet connection to printer, valid credit/debit card, email address, and delivery service in your geographic area. <sup>9</sup> Based on Original HP 62 XL black and color ink cartridges. Not included; purchase separately. Less cost per page compared to estimated street price of standard-yield HP 62 ink cartridges. <sup>10</sup> Based on plan usage (without excessive printing). Internet connection to a compatible HP printer, valid credit/debit card, email address, and delivery service in your geographic location. <sup>11</sup> Value based on Neat® Organization System Personal plan; September 2014 pricing.

<sup>1</sup> Either after first page or after first set of ISO test pages. For details see [hp.com/go/printerclaims](http://hp.com/go/printerclaims). Either after first page or after first set of ISO test pages. For details see [hp.com/go/printerclaims](http://hp.com/go/printerclaims) <sup>2</sup> Speed specifications have been updated to reflect current industry testing methods. <sup>3</sup> Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. <sup>4</sup> Wireless performance is dependent upon physical environment and distance from the access point. Wireless operations are compatible with 2.4 GHz routers only; excludes wireless direct. Wireless direct may require driver or apps be installed and connected on wireless-enabled mobile device or PC. Wireless functionality may vary by computer and mobile operating systems, see [hponconnected.com](http://hponconnected.com). HP ePrint requires: account registration, HP ePrint-enabled printer, Internet connection, and a wireless-enabled mobile device or Internet-connected computer with email capability. Separately purchased data plans or usage fees may apply. Print times and connection speeds may vary. AirPrint supports OS X® Lion, OS X® Mountain Lion and the following devices running iOS 4.2 or later: iPad®, iPhone® (3GS or later), iPod touch® (3rd generation or later) and requires the printer be connected to the same network as your OS X or iOS device. AirPrint, the AirPrint Logo, iPad, iPhone, and iPod touch are trademarks of Apple® Inc. Windows® is a trademark of the Microsoft group of companies. BlackBerry® names and logos are the property of Research In Motion Limited. Android is a trademark of Google Inc. <sup>5</sup> Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs to satisfy the demands of connected individuals or groups. <sup>6</sup> HP recommends that the number of printed pages per month be within the stated range for optimum device performance, based on factors including supplies replacement. <sup>7</sup> Approximate yield. Actual yield depends on printer and specific use. See [hp.com/go/pageyield](http://hp.com/go/pageyield) for more information; Savings claim is based on HP Instant Ink Service plan price for 12 months using all pages in plan without purchase of additional pages compared to cost per page ("CPP") of the majority of color inkjet printers <\$399 USD, market share reported by IDC Q3 2013. CPP comparisons for standard-capacity inkjet supplies are based on estimated street price and page yield as reported by Gap Intelligence MFP Weekly and I/P Weekly Reports Q3 2013. Actual savings may vary depending on number of pages actually printed per month and content of pages printed. <sup>8</sup> Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
