

HP LaserJet 3150 All-in-One Printer-Fax-Copier-Scanner

**The HP LaserJet 3150 Advantage--
Professional results while you save time,
space, and money.**

A single reliable product designed to provide 4 of the most used office services on your desk in just 1.4 square feet of space. Separate paper paths allow you to print while sending broadcast faxes; scan while sending a print job; or copy while sending or receiving a PC fax. Networking capabilities, clean simple installation and easy-to-use intuitive software allow you to quickly take advantage of the LaserJet 3150. Keep your money coming in, not going out with single device supply and maintenance, coupled with HP quality and reliability.

**All the same award-winning performance of the
HP LaserJet 3100, with networking capabilities.**

PRINTER

- Capable of printing over a network with an optional HP JetDirect External Print Server
- Professional laser printing with true 600 x 600 dpi resolution at 6 pages per minute print speed
- Prints on virtually any media from cardstock to transparencies, labels to specialty papers, in sizes 3 x 5 inches to legal size
- Input and output trays handle up to 100 pages

COPIER

- Works like a stand-alone copier, no need to turn on the PC
- Laser-quality copies up to 6 pages per minute with automatic collation
- 1 to 99 copies at the touch of a button with reduction/enlargement
- Clear copies of text and images with 600 dpi interpolation and photo modes
- Multitasking lets you create copies while receiving faxes or sending a print job

SCANNER

- Scan over the network with an optional HP JetDirect External Print Server
- 600 dpi enhanced with 256 levels of gray
- Scans documents quickly—up to 6 pages per minute
- Professional version of Optical Character Recognition (OCR) software lets you scan documents directly into your word processing software without retyping
- Scan originals from business cards to full length newspaper articles up to 39 inches long
- Scan documents into e-mail for easy distribution

FAX AND PC FAX

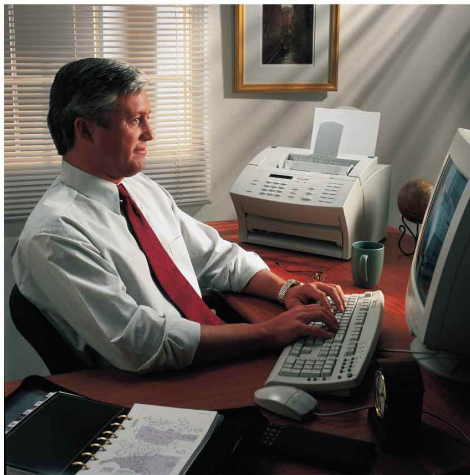

- Capable of sending faxes over a network with an optional HP JetDirect External Print Server
- Works as a stand-alone plain paper fax, no need to turn on the PC
- Fast Faxing—6 seconds per page with 14.4 Kbps modem
- Remote retrieval of incoming faxes (stores incoming faxes in memory)
- One-touch scan to e-mail allows you to send faxes to the recipient's e-mail directly from the device
- Stores up to 250 speed-dials including 25 group lists
- 30 page Automatic Document Feeder
- 2 MB (150 pages) of fax memory
- Easy intuitive software automatically establishes links in your existing key office suite applications allowing you to PC fax directly from supported applications

The HP LaserJet All-In-One P

**The HP LaserJet
3150 Advantage:**
*Professional results
while you save time,
space, and money.*

- Four machines in one on your desktop in just 1.4 square feet
- 2 paper paths and 2 MB of task management memory allow multi-tasking and simultaneous operations: print while faxing, receive faxes while scanning, scan while printing and more
- Clean and simple installation process; one installation installs all software for all functions
- Easy intuitive software automatically establishes links to your existing key office suite applications

- Can be easily networked with an optional HP JetDirect External Print Server for full office utilization
- No waiting--instant-on fuser eliminates warm-up time

HP LaserJet 3100, with networking capabilities

Technical Specifications

HP LaserJet 3150 Printer•Fax•Copier•Scanner

Media Sizes	Paper: letter; legal; A4; 3 x 5 in Envelope: executive, Com-10, monarch, C5, DL, B5 and custom sizes Custom sizes: 3 x 5 in to 8.5 x 14 in			
Media Types	Paper; envelopes; transparencies; card stock; postcards; labels			
Media Handling	Paper	Weight 16 to 28 lb 16 to 42 lb (using front output slot)	Input tray 100 sheets	Output tray* 100 sheets
*has alternate straight-through path for wrinkle-free envelope printing				
Engine Speed and Processor	6 ppm-rated engine speed; instant-on fuser eliminates warm-up time; Motorola 68020 25.6-MHz processor			
Software Compatibility	Microsoft® Windows® NT 4.0, 2000, 98, 95, 3.x*			
*Networking via HP JetDirect External Print Server is not supported on Windows 3.x				
Interface and Connectivity	IEEE 1284 - Centronics parallel compatible			
Memory	2 MB memory (up to 150 pages fax memory*)			
Power Requirements	Source voltage: 100/127VAC Frequencies: 50/60 Hz			
Operating Environment	Operating temperature ranges: 15° to 32.5° C (59° to 90.5° F) Relative operating humidity: 10% to 80% (no condensation)			
Noise Levels per ISO 9296	Sound power: L _{WAd} : 5.7 Bels			
Dimensions (WxDxH)	15.1 x 15.4 x 10.8 in (384 x 390 x 272 mm)			
Weight	23.4 lbs (10.6 kg)			
Duty Cycle	6,000 pages per month			
Toner	Microfine toner; 2,500 pages (with 5% coverage)			
Warranty	One year with optional Express Exchange			
Minimum System Requirements when used through a PC	• Windows 3.1x: 486/33 processor with 16 MB RAM • Windows 95 and 98: Pentium® 90 with 16 MB RAM • Windows NT 4.0: Pentium 90 with 32 MB RAM • Windows 2000: 300 Mhz processor with 128 K L2 cache or equivalent performance with 64 MB RAM • 65 MB free hard disk space • CD-ROM drive • Dedicated IEEE 1284-compliant bi-directional parallel port			
Contents	• HP LaserJet 3150 • 3 m parallel cable (IEEE 1284-compliant); DB-25 to small 36-pin high-density male; power cord; telephone cable • Easy Install Wizard for complete software installation including PC fax and OCR software • JetSuite Pro for the HP LaserJet 3150 Printer•Fax•Copier•Scanner: Includes drivers for Print, PC Fax and Scan; integrated PC Fax software; integrated desktop organizing scan and PC fax documents; drag-and-drop links to key applications; scanner editor; self-viewing portable document creation; easy access to device configuration; one-step scan; scan to e-mail; PC fax; copy functions • ReadIRIS Pro OCR software 5.0 • 3150 xi only: TrellixWeb HP Personal LaserJet Edition 2.5 (The Document Builder for the Web Era from Trellix Corp.) • 3150 se only: HP Web PrintSmart Plus! 2.01 (Personal Publishing Software for the Web)			
Product Certifications	UL/cUL listed; complies with IEC 825-1/EN 60825-1 and IEC 950/EN 60950; FCC Class B, FCC/port 68, CS-03; CISPR-22 class B; CDRH certified Class 1 Laser Product (safe for office/EDP use)			

PRINT

Resolution	True 600 x 600 dpi

*Approximate figures. Exact speed will vary depending on the system configuration, software program and document complexity.

** Based on ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory.

** Scan time only, data transfer time to CPU not included.

Availability outside the U. S. may vary.
