Work Faster with 1-Touch Shortcuts and Rapid Scan

The Lexmark OfficeEdge Pro4000 color MFP offers business-class features such as high-yield cartridges, professional print quality and 1-touch shortcuts.

Color	Up To 21 PPM [5]	Laser-Quality at 50% the Cost [3]	Automatic 2-sided	Wireless-N	Ethernet	Rapid Scan	50-Page Auto Document Feed	Optional Second Tray
Professional Print Quality	High-Yield Cartridges [8]	Time-Saving Shortcuts	Standard Pages					

Lexmark OfficeEdge Pro4000 Color MFP

Built for Business

• Built for heavy-duty printing. Buyers Lab Inc., the imaging industry's leading independent test lab, successfully ran 20,000 pages jam-free. [1]

• Ideal for multi-user workgroups; provides the flexibility of networking via Ethernet or wireless-N. [2]

• The USB port allows for convenient walk-up printing of many popular file formats, including PDF and JPEG, without the use of a PC.

• Backed by LexmarkConnex premier customer support; free online and phone support minimizes wait time with remote printer diagnostics.

• Easily load different types of paper with the optional 550-sheet tray that boosts input capacity up to 850 sheets or 75 envelopes.

Productivity and Savings

• The Pro4000 includes the features you need and a 50% lower printing cost on laser-quality documents. [3]

• Fewer supplies replacements with high-yield cartridges. Cartridges yield up to 2,500 pages in black and 1,600 pages in color. [4]

• Prints faster than most similarly-priced color laser MFPs with speeds up to 21 ppm in black and 14 ppm in color. [5]

• Enhance efficiency and productivity with time-saving 1-touch shortcuts, including Scan to Network, Scan to Email and Scan to PDF.

• Quickly scan documents in as fast as 5 seconds per page using the 50-sheet automatic document feeder. [6]

Professional Quality Output

• Print documents with the crisp text quality of a laser and the vivid detail of an inkjet.

• Make a lasting impression on customers and do more in-house printing with smear-resistant Vizix Pro inks.

• Print documents on a variety of specialty paper, including card stock, labels and envelopes; accommodates paper sizes up to 8.5 x 14 inches.

LEXMARK

Lexmark 1-Touch Shortcuts

Simplify everyday tasks with time-saving Lexmark 1-touch shortcuts. Eliminate unnecessary steps and save time by customizing shortcuts to run commonly performed workflows.
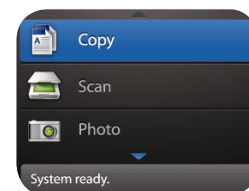

Scan to Email
Sometimes faxing isn't convenient or available. Easily scan a document and send it directly to an email account.

Scan to Network
Scan a document and send the image to a personal or shared network folder without a PC.

Customizable Copy
Save time and make custom copies easier by automating commonly-selected copy settings.

Why a Lexmark Business Inkjet?

The OfficeEdge series is a new category of devices engineered with enterprise-level, laser-quality components to deliver long-lasting and highly-reliable performance.

• Laser-quality color printing at a 50% lower printing cost. [3]

• Fastest time to first page compared to lasers in its class means less time waiting to complete a job. [7]

• Productivity tools help reduce paper and improve workflows.

• Integrates seamlessly into most business IT environments with PCL and PostScript support.

• Simplify monitoring and administration of multiple devices through the embedded web server and Lexmark Universal Print Driver.

Product specifications	Lexmark OfficeEdge Pro4000	Lexmark OfficeEdge Pro4000c
Printing		
Laser Quality Print Speed: Up to	Black: 21 ppm in accordance with ISO/IEC 24734 / Color: 14 ppm in accordance with ISO/IEC 24734	
Maximum Print Speed: Up to	Black, Draft: 40 ppm / Color, Draft: 36 ppm	
Time to First Page: As fast as		
Print Resolution, Color	Up to 4800 x 3600 dpi	
Paper Input Capacity: Up to	Standard: 300 pages 20 lb or 75 gsm bond / Maximum: 850 pages 20 lb or 75 gsm bond

Media Types Supported	Card Stock, Envelopes, Labels, Plain Paper, Transparencies, Hagaki Card, Iron-On Transfers, Photo Paper, Heavy Weight Matte Paper	
Recommended Monthly Page Volume[9]	500 - 1,500 pages	
Maximum Monthly Duty Cycle: Up to[10]	30,000 pages per month	
Copying		
Time to First Copy: As fast as		
Maximum Copy Speed: Up to	Black, Draft: 34 cpm / Color, Draft: 26 cpm	
Scanning		
ADF Paper Input Capacity: Up to	50 pages 20 lb or 75 gsm bond	
Simplex Scan Speed: Up to		
Faxing		
Fax Speed Dials	Up to 99 numbers	
Fax Transmission Speed	< 3 seconds per page	
Incoming Fax Memory: Up to	500 pages	
Fax Receive Resolution	Up to 400 x 400 dpi	
General		
Ink Cartridge Yields	500*-page Color (CMY) Ink Cartridges, 625*-page Black Ink Cartridge, 1,600*-page Color (CMY) High Yield Ink Cartridges, 2,500*-page Black High Yield Ink Cartridge, *Average Declared Yield obtained by continuous printing in one-sided (simplex) mode up to this number of Standard Pages in accordance with ISO/IEC 24711.	
Display	2.4 inch color LCD display	
Standard Ports	Ethernet 10/100BaseTX (RJ-45), USB 2.0 Specification Hi-Speed Certified (Type B), PictBridge Certified Port, 802.11b/g/n Wireless, Front USB 2.0 Specification Hi-Speed Certified Port (Type A)	Ethernet 10/100BaseTX (RJ-45), USB 2.0 Specification Hi-Speed Certified (Type B), PictBridge Certified Port, Front USB 2.0 Specification Hi-Speed Certified Port (Type A)
Memory, Standard	256 MB	
Product Warranty	1-Year Exchange, Next Business Day	
Size (in. - H x W x D)	11.8 x 19.7 x 16.8 in.	
Weight (lb.)	35.1 lb.	

[1] Based on testing results conducted by Buyers Lab Inc. on the OfficeEdge Pro5500. All OfficeEdge Series products are built with the same components resulting in similar performance.
[2] When used with a wireless-N enabled router. Compatible with Wi-Fi CERTIFIED IEEE 802.11b/g/n routers. Wireless networking is not available on the OfficeEdge Pro4000c.
[3] When comparing cost-per-page with most color laser MFPs below $500 US dollars (October 2011).
[4] Standard pages composite average based on ISO/IEC 24711 when printing continuously on a Pro4000 printer. Actual yield varies considerably based on factors such as printed content and printer model. See www.lexmark.com/yields.
[5] Average of Estimated Saturated Throughput from the Office Category Test for the default simplex mode. Determined in accordance with ISO/IEC 24734. Full report available at www.lexmark.com/ISOspeeds.
[6] When scanning a multi-page document in mono 300 dpi, standalone mode to a USB flash-drive in PDF format. Excludes first page scan time. Actual scan times may vary based on factors such as media card and PC performance.
[7] Based on testing results conducted by Buyers Lab Inc. on the OfficeEdge Pro5500 using the host-based driver compared to competitive products in its class. The competitive class can be defined as "desktop, laser/LED multifunction printers with a purchase price under $500 tested by BLI". All OfficeEdge Series products are built with the same components resulting in similar performance.
[8] XL cartridges not included. Available for aftermarket purchase.
[9] "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.
[10] "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.
