MFC-7340

- Laser Printer
- Laser Fax
- Digital Laser Copier
- Digital Colour Scanner
- PC Fax

Far more than just a printer, the MFC-7340 comes with a host of features that can benefit your business.

Main Features

1/ Laser Printer

The MFC-7340 also comes with a range of comprehensive software features, including the ability to reduce or enlarge your single or multiple page documents.

Poster printing: Where the need arises poster printing enables you to enlarge a single A4 page into a poster using 4, 9, 16 or 25 pages.

N in 1: This allows you to reduce 2, 4, 9, 16 or 25 A4 pages into a single A4 page.

Full speed USB 2.0 connectivity means you can hook up with most modern devices including laptops, while the flatbed scanner and 35-page** automatic document feeder make it easy to copy and scan various document types.

In addition the 250-sheet tray** means you'll spend less time refilling paper.

The separate toner and drum means you only have to replace the toner and drum when necessary and using the optional high-yield toner will reduce your costs even further.

2/ Laser Fax

The MFC-7340 comes with a range of features to make faxing easy

Memory Transmission: Up to 400 pages.[†]

Speed dials: For convenience, you can store up 200 speed dials using the numerical keypad.

One touch dialling: Eight of your most frequently used fax numbers can be saved and accessed with the touch of a button.

3/ Digital Laser Copier

In addition to the above, you can also benefit from these advanced copy features.

Reduction/enlargement: Reduce or enlarge your copied documents easily from 25% to 400%, using 1% increments.

Stack and sort: If you need to make several copies of a multi-page document, then the stack and sort feature can automatically collate the

pages into the correct order, so you don't have to waste time doing it by hand.

4/ Digital Colour Scanner

As well as having all the cost saving advantages of mono laser printing, the MFC-7340 lets you enjoy the benefits of high quality, full colour scanning by using any one of the following options:

Scan to file: You can save time by scanning documents to a pre-defined location on your computer. You can even save in multiple formats, including jpeg, pdf and gif.

Scan to e-mail: Scan your documents to your default e-mail application to be sent as attached files.

Scan to OCR (Optical Character Recognition): If you need to edit a pre-printed document you can scan and automatically convert it to text, ready to edit in your favourite text editing software e.g. Microsoft® Word.

Scan to image: Scan images directly to your imaging or photo application, ready for you to save, edit or print.

5/ PC Fax

This feature allows the user to send faxes from any desktop application in either Windows® or Mac® environment, as easily as sending a print job. In addition, the user can broadcast the same document to multiple Fax numbers using Brother PC Fax address book. The PC-Fax address book will help you to configure, add, amend or delete contacts from your address book.

*At 600 x 150dpi

**At 80 gsm

Other Features

Simultaneous Operation

Brother has simultaneous operation, therefore enabling you to print whilst sending a fax or begin scanning while a document is being printed.

LCD and Function Keys

The LCD display ensures it is easy to read the status of the MFC-7340. Additionally the function key makes it easy to see which feature is selected.

Compatibility

In the modern office, with an increasing number of users working from different systems software, workgroups require a cross-platform printer. That's why, the MFC-7340 has optimised drivers for;

- Windows® 2000 / XP / XPx64 / Vista / Vista 64
 - Mac OS® OS® X 10.2.4 or greater
 - Linux LPR and CUPS wrapper driver

Environmentally Friendly Features

International Standards:

ISO 14001

As one of the Australia's leading Multi-Function Centre® manufacturers, Brother takes its environmental responsibilities very seriously. Brother is accredited with the internationally recognised ISO 14001 standard for Environmental Management Systems.

Energy Star

Additionally, Brother Multi-Function Centres® are Energy Star™ compliant and use less electricity making them extremely efficient to run.

Separate Drum and Toner Cartridge

All Brother Laser Multi-Function Centres® come with a separate drum and toner cartridge. Unlike some other laser Multi-Function products, when the toner runs out or drum wears out simply replace that item. Another feature from Brother that saves you money and is better for the environment.

Brother consumables can be recycled through "Cartridges 4 Planet Ark" to ensure zero waste to landfill. Brother is a major sponsor of this program.

Software

Brother supplies industry standard software to enhance the key functions of your machine:

- Scansoft® Paperport® Turns piles of paper and photos into organised digital files that you can quickly find use and share.
- OCR software Easily turns printed pages into editable electronic documents.
- Brother PC-Fax software Send and receive faxes directly from your PC.
- Remote set up facility Configure the settings of your machine from your PC.
- Newsoft Presto!® Page Manager® for Macintosh® including OCR Document management software for Macintosh users
