The stylish and Compact DCP-110C from Brother.

Multi-Function Centre® which makes printing, copying and scanning easy.

Standalone flatbed copying at up to 600 x 1,200dpi resolution

Flatbed scanning at up to 19,200dpi interpolated resolution

PhotoCapture Centre™ direct photo printing from media card

DCP-110C

- Colour Printer
- Colour Copier
- Colour Scanner
- PhotoCapture Centre™

A Stylish compact machine that uses the latest in printing technology. It will be the quiet performer in your office.

One look and you know it will be easy-to-use

A compact Multi-Function Centre® makes sense for every home or home-office. The DCP-110C is simple to use in every mode. The ergonomically-designed control panel, with clear keypad layout incorporating LCD, ensures ease of use and the built in paper cassette keeps your desk tidy.

Quality printing every time

The DCP-110C produces crisp clear prints whether you want a simple text document or a complex colour chart. If you want to print from your camera then borderless printing creates true photo-style results right up to poster size. All this at print speeds that reduce waiting time to a minimum.

- Up to 1,200 x 6,000dpi print resolution
- Up to 20ppm mono print speed
- Up to 15ppm colour print speed
- Borderless printing

Multi-source on-demand copying

Copying with or without your PC has never been easier or more accessible. The DCP-110C houses a number of quality copy features that make life easier including an adjustable hinge, meaning that pin sharp copies are now available from a wider variety of sources than ever before.

- Up to 600 x 1,200dpi resolution
- Adjustable hinge

The added versatility of a colour scanner

Like all the functions of the DCP-110C the scanner is not only simple to use, it produces consistent quality whatever the source. Scanning directly to your PC can be done easily using the scan to E-mail/OCR/Image/File/Card function. Another added bonus is that the latest scan software is included at no extra cost.

- Up to 19,200 dpi interpolated resolution
- One-touch scan to PC
- ScanSoft® PaperPort® and OmniPage® OCR software included.

PhotoCapture Centre™

With digital photography becoming more and more popular the DCP-110C has all you need to enjoy the benefits of this new technology. Its digital camera card slots allow memory cards to be read without a plug-in card reader or the inconvenience of using the software on your computer to download your pictures. You can study a complete selection of thumbnails before you make your print selection, saving time and expense. You can also save and retrieve files via your media card, making this an additional and convenient data transfer tool.

The DCP-110C is compatible with six of the most popular media cards:

- CompactFlash™
- Memory Stick Pro™
- SmartMedia™
- Secure Digital™
- MemoryStick™
- xD Picture Card

Individual ink cartridges

All Brother colour Multi-Function Centres® come complete with separate colour ink cartridges. Unlike some other colour multi-function products, when a single colour runs out you only replace that colour. Another feature from Brother that saves you time and money and is better for the environment

Capillary ink system

Brother's revolutionary capillary tube delivery system provides ink from the DCP-110C's four separate cartridges direct to the print head, allowing for a much lower profile machine. This results in smoother, quieter operation and ink cartridges that are quicker and easier to replace.

Low Power Consumption

In addition, this system allows the machine to run at incredibly low level of power consumption saving you money and is environmentally friendly.

Environmentally friendly Individual ink cartridges save you money

Technical Specification

General

Engine	Inkjet
LCD Display	1 line x 16 characters
Back-up for clock	Keeps time and date backed up for 1 hour
Memory Capacity	8MB standard
Paper handling size	A4, LTR, LGL, EXE, A5, A6, Postcard1(100x148mm), Postcard2(Double)(148x200mm), C5, Envelope, Com-10, DL Envelope, Mo-rcb, JE4 Envelope
Media Type	Plain, Inkjet, Glossy, Transparency
Paper Capacity	Standard paper tray Up to 100 sheets [^] Output paper capacity Up to 25 sheets [^]
Simultaneous Operation	(Print/Copy) (Print/Scan)

Colour Printer

Speed	Up to 20ppm mono & Up to 15ppm colour
Resolution	Up to 1,200 x 6,000dpi optimised

Dimensions	373mm(w) x 453mm(d) x 135mm(h)
Weight	5.5kg
Power (Minimum / Standby / Peak)	3 / 6.5 / 18Wh

Consumables

Supplied with Individual standard yield Ink Cartridges	Black Cyan Magenta Yellow	LC-47BK - 500 pages LC-47C - 400 pages LC-47M - 400 pages LC-47Y - 400 pages
Pages in normal mode @ 5% coverage		
Brother Paper	Glossy Paper Matte Paper Plain Paper	BP-60GLA - 20 Sheets BP-60MA - 25 Sheets BP-60PA - 250 Sheets

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables the benefits to you are:

- Better quality prints
- Greater yields per consumable
- Protect your machine from damages
- Achieve optimum performance.

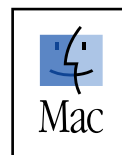

Your machine warranty may not cover any damage arising from the use of non genuine Brother consumables.
