

Personal Digital Copier, Printer, and Color Scanner

For your home and small office customers who need a reliable work machine for printing, copying, and scanning.

- Save paper with built-in Duplex copying and printing, as well as with 2-on-1 copying.
- Big jobs are fast work with output speeds of up to 23 ppm / cpm.
- Potential savings on the energy bill with 3W Energy Saver Mode.

Duplex Versatility

Print or copy on two sides – use half the paper! Two-sided output for printing and copying saves space and reduces paper consumption.

High Performance

Why waste time? With Canon's Quick First Print technology, the first copy or print will arrive in approximately 9 seconds. The D420 can copy or print up to 23 ppm/cpm and takes just 10 seconds to warm up.

Easy Maintenance & Energy Efficiency

The Canon Single-Cartridge system combines toner & drum into a single unit – no messy toner changes. Help your customers free up their desk space with the D420's compact design. Efficient 3W energy saving mode may help to save money on energy bills.
