

Personal Digital Copier, Printer, Color Scanner, and Fax

For the small or home office customer who wants a versatile, energy-efficient 4 in 1 multifunction.

- Transmit documents at high speed with the Super G3 Fax.¹
- Save paper by printing or copying on both sides of the paper.
- Print or Copy at high speeds of up to 23 ppm / cpm.
- Save energy with 3W Energy Saver Mode.

The Convenience of Fax

Send fast faxes with the Super G3 fax that transmits documents at 33.6 Kbps.¹ It includes a generous 256 pages of memory, 8 one-touch dials and 100 speed dial locations.²

Duplex Versatility

Print or copy on two sides – use half the paper! Two-sided output for printing and copying saves space and reduces paper consumption.

High Performance

Why waste time? With Canon's Quick First Print technology, the first copy or print will arrive in approximately 9 seconds. The D480 can copy or print up to 23 ppm/cpm and takes just 12 seconds to warm up.

Easy Maintenance & Energy Efficiency

Easily change toner without the mess: the Canon Single-Cartridge system combines toner & drum into a single unit. Help your customers free up their desk space with the D480's compact design. Efficient 3W energy saving mode may help to save money on energy bills

Toner

Cartridge 104

- Black (Yields approximately 2,000 pages based on ISO/IEC Standard)
- Starter Cartridge Included

Operating System

- Windows® 7 / Vista® / XP / 2000
- Mac® OS X 10.3.9 to 10.6.x
- Linux (Print only)

Environmentally Conscious

www.usa.canon.com/green

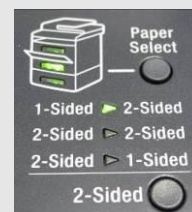

- **Toner Cartridge Recycling Program** - Canon toner cartridges are 100% recovered with zero landfill waste.
- **Duplex Copying & Printing:** Using automatic two-sided printing and copying can save up to 50% of your customer's paper supply. 2 on 1 copying can help save even more paper.

SALES TIP!

Show your customers how the D480 makes it easy to handle 2-sided documents:

- Press the **"2-Sided"** button to cycle through the options:

- 1 → 2-Sided
- 2 → 2-Sided
- 2 → 1-Sided

Why Choose the D480

Over the Samsung SCX-4828FN

- Improve productivity with a first copy time of approximately 9 seconds. Speed is not just about cpm. Most copy jobs are just one page.
- Share the D480 with Optional Wireless Print Server. (Windows only – print, PC-fax & scan)⁴
- Help the environment with 3W Energy Saver Mode

Over the Brother DCP-7040

- Save paper with Duplex copying and printing. Duplex Auto Document Feeder makes it easy to copy 2-sided originals.
- Easily change toner and stock just one consumable. Single Cartridge System combines toner & drum in one unit, and provides consistent copy quality.
- Send important documents with Super G3 Fax.

¹ The Public Switched Telephone Network currently supports fax modem speeds of 28.8 Kbps or lower, depending on telephone line conditions. Sending and receiving fax machines need to conform to ITU-T v.34 guidelines.

² Based on ITU-T #1 Chart (standard mode).

³ USB 2.0 Hi-Speed performance requires Windows XP Service Pack 1 or Windows 2000 Service Pack 4 with pre-installed USB 2.0 port

⁴ Wireless printing requires a working Ethernet network with wireless 802.11b/g capability. Wireless performance may vary based on terrain and distance between the printer and wireless network clients. Supports Silex Print, PC Fax (sending) and Scan functions only. Compatible with Windows Vista, Windows Server 2008, Windows Server 2003, XP, 2000 only.

⁵ Warranty program is subject to certain conditions and restrictions. See the warranty card for details.
