

Black & White Laser Multifunction Printer

Designed with the small or home office user in mind, the imageCLASS MF4450 offers high-quality output and advanced features necessary to tackle everyday business needs.

- Perform various functions easily with the 5-line backlit LCD – Print, Copy, Scan, and Fax.
- Quick First Print provides first print time of approximately 6 seconds.
- Save money in Energy Saver Mode, using only approximately 3W of energy.

Easy Maintenance & Energy Efficient

Take the toner cartridge out of the MF4450 and show it to your customers. Tell them that the toner and drum are in one unit, making it easy to replace consumables. The Single-Cartridge system is also 100% recycled, making it an eco-conscious product.

Home / Small Office Convenience

The MF4450 is a compact desktop unit, great for home and small office customers. Its 250-sheet paper cassette can handle large amounts of printing without the need to replace paper. Use the single-sheet multipurpose tray for printing on items like envelopes or labels.

Simple to Use, Easy to Read

The MF4450 features a 5-line backlit LCD with animations, making it easier to read and navigate through menus. Demonstrate its ease of use by walking customers through some menu functions.

High Performance

Why waste time? With Canon's Quick First Print technology, the first print will arrive in approximately 6 seconds, and the first copy takes just 9 seconds. The MF4450 can copy or print up to 24 ppm/cpm and takes just 12 seconds to warm up.
