

Black and White Laser Multifunction Printer

The imageCLASS MF4570dn is a compact, yet versatile, multifunction printer for networked homes or small offices.

- Duplex Versatility – printing, copying (1 to 2), and receiving faxes.
- Quick First Print provides first print time of approximately 6 seconds.
- Efficient energy saving mode: approximately 3W of energy used.
- Shared productivity with built-in Ethernet networking.

Duplex Versatility

Print on two sides – use half the paper! Two-sided output for printing, copying and receiving faxes saves space and reduces paper consumption.

High Performance

Why waste time? With Canon's Quick First Print technology, the first print will arrive in approximately 6 seconds. The MF4570dn can print or copy up to 26 ppm/cpm. The fast Super G3 fax includes over 100 convenient speed dials (4 one-touch and 100 coded), as well as a generous 256-page fax memory.¹

Compact Design & Energy Efficiency

Help your customers free up their desk space with the MF4570dn compact design. Efficient 3W energy saving mode may help to save money on energy bills. On-demand SURF technology saves up to 75% of energy used by conventional roller-fixing print systems.

Built-in Networking

Sharing the MF4570dn is easy with the built-in Ethernet connectivity. Your customers can share the convenience of network printing, scanning, and PC faxing.

Improved Usability & Maintenance

Complete tasks easily with the large 5-line LCD. On screen animations assist your customers with tasks such as changing cartridges. The Canon Single-Cartridge system combines toner & drum into a single unit – no messy toner changes.
