- * PPM is based on printing in FAST mode and excludes time to complete first page and will vary depending on a variety of factors. ISO print speed is based on ISO/IEC 24734. ISO copy speed is based on ISO/IEC 24735. See www.brother.com/printspeed for details.
- ^v Resolutions are listed vertical by horizontal dpi.
- ^o Borderless not available on duplex. Minimum default margins 0.12" on all sides.
- [•] Cables not included.
- [•] Additional purchase required.
- ⁵ Over SSL supported.
- ^o From ready mode and standard tray.
- ¹ Requires connection to a wireless network. See www.connectprintshare.com for details, availability and mobile device compatibility.
- ² Based on MSRP of individual LC3019 black and color ink cartridges and approximate page yield in accordance with ISO/IEC 24711. Additional purchase required. For more page yield information, see www.brother.com/pageyield.
- ³ Up to 30-sheet sort copy.
- ⁴ Requires connection to a wireless network. For more details visit www.connectprintshare.com.
- ⁵ Requires internet connection and an account with desired service. For more details see www.connectprintshare.com.
- ⁶ Requires internet connection. For more details visit www.connectprintshare.com.
- ⁷ PC-Fax Send only for Mac® users.
- ⁸ See system requirements on www.brother.com.
- ⁹ Maximum number of printed pages per month and can be used to compare designed durability between like Brother products. For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements.
- ¹⁰ The recommended range of monthly printed pages to achieve the best possible performance and printer life. Printers are intended to handle occasional usage beyond the range with little or no effect. Consistently printing above the recommended print volume, however, may adversely affect the print quality or life of the machine. It is always best to choose a printer with an appropriate recommended print volume to allow for any anticipated increase in printing needs.
