EXCEED YOUR VISION

BUILT TO PERFORM™

WorkForce® WF-3530

All-in-One Printer

Print | Copy | Scan | Fax | Ethernet | Wi-Fi®

- **World's Fastest 2-sided print speeds[1]** — 1-sided 15 ISO ppm (black) and 9.3 ISO ppm (color)†; 2-sided 7.4 ISO ppm (black) and 5.4 ISO ppm (color)†
- **500-sheet paper capacity** — reload less often with two 250-sheet paper trays
- **Affordable business printing** — up to 40% less printing cost vs. color lasers[2]
- **Easy menu navigation** — 2.5" color LCD and intuitive touch panel
- **Do more** — automatic 2-sided printing saves paper plus a 30-page, duplex Auto Document Feeder to quickly copy, scan or fax stacks of 1- or 2-sided originals
- **Epson Connect™** — easily print from iPad,® iPhone,® tablets & smartphones[3]
- **Versatile paper handling** — 2 front trays plus rear feed for thick paper, envelopes and specialty media
- **Professional, laser sharp text** — print proposals, reports and brochures with high-quality color and crisp, sharp text
- **2x the durability[4]** — robust product design
- **Built-in wireless and Ethernet networking** — easily connect to the network and share your all-in-one with others[5]

WORLD'S FASTEST 2-SIDED PRINT SPEEDS.[1]

World's Fastest 2-sided print speeds.[1]

The WorkForce WF-3530 is the hassle-free, high-productivity all-in-one that brings your business the World's Fastest 2-sided print speeds,[1] plus automatic 2-sided printing/copying/scanning. This durable performer comes with a 500-sheet paper capacity, so you'll reload paper less often. Robust paper handling features include a 30-sheet ADF, plus a rear paper feed to handle specialty paper including envelopes and thick media types. Use the 2.5" LCD and intuitive touch panel to easily navigate through PC-free tasks. And, get up to 40% lower printing costs vs. color lasers.[2] The WF-3530 even includes wired and wireless connectivity[5] for easy networking. Plus, it features Epson Connect to print and scan from anywhere.[3] Keep your business running at full speed with the fast, affordable, versatile WorkForce WF-3530.

World's Fastest 2-sided print speeds[1]

The WorkForce WF-3530 features print speeds of 15 ISO ppm (black) and 9.3 ISO ppm (color), plus 2-sided print speeds of 7.4 ISO ppm (black) and 5.4 ISO ppm (color).†

Intuitive 2.5" LCD and touch panel for easy menu navigation

The WorkForce WF-3530 has a built-in 2.5" LCD with touch panel that easily guides you through routine and complex tasks.

Reload paper less often with a 500-sheet paper capacity

Featuring a 500-sheet paper capacity, the WorkForce WF-3530 means you'll change paper less often, making it easy to print without interruption. Just load up the two 250-sheet paper trays and print.

Efficient — Auto 2-sided printing plus duplex ADF

Save up to 50% on your paper supply with convenient automatic 2-sided printing/copying. Do more with automatic 2-sided copy/scan/fax. Automatic 2-sided scanning means the WorkForce WF-3530 can scan stacks of documents, while you focus on more important matters.

Brilliant results. Smart value

Save on ink and get professional quality prints at an amazingly affordable price — up to 40% lower printing costs vs. color lasers.[2]

New and improved — 2x the durability[4]

The WorkForce WF-3530 offers a robust product design, which makes it easy to take on any task.

Epson Connect — Easily print from iPad, iPhone, tablets and smartphones[3]

Print wirelessly from your iPad, iPhone, tablet, smartphone or computer. Easily print documents, photos, emails and web pages from the comfort of your couch, your office or across the globe. You can even scan your documents and save them to the cloud.

Robust paper handling

Two front trays mean the WorkForce WF-3530 is always ready to print, while the rear feed makes it easy to get creative, as it accommodates specialty media, envelopes, thick paper and more.

High-speed faxing

Fax in as fast as 3 seconds per page, save up to 180 pages in memory, and store up to 60 numbers. Using the included PC-Fax, you can even send a color fax right from your computer. It's a great way to save time and paper.

Professional — laser sharp text

Print proposals, reports and brochures with high-quality color and crisp, sharp text. DURABrite® Ultra Ink is a unique Epson technology designed to prevent bleed-through and deliver instant-dry results on plain paper. Prints are smudge, fade and water resistant, so it's easy to preserve important documents.

Built-in wireless and Ethernet networking[5]

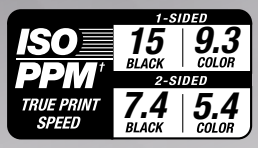
Share your all-in-one among multiple computers. Quickly set up, connect and print from any networked computer. Because the WorkForce WF-3530 offers 802.11 n support, you get the latest in wireless technology. And, it includes Wi-Fi Direct.™

Convenient scanning features

Scan and save electronic copies of printed reports, or turn forms and documents into editable text with the included OCR software.[6] You can even scan-to-email or scan-to-PDF, then quickly archive important files. Use the front USB port on the printer to scan and store files to a USB flash drive.

Be more informed

The international ISO print speed standard†



Print speed is critically important when buying a printer or all-in-one. But how do you compare print speeds when different manufacturers measure it in different ways? Now you can. Much like the "MPG" ratings on new cars, there's now an industry standard for measuring print speed, which allows for an "apples-to-apples" comparison between different printer models and brands. The International Organization for Standardization (widely known as ISO) developed this industry-approved and internationally accepted standard, specifically for inkjet printers and all-in-ones. It measures "out of the box" (default) print speeds using "real world" printing scenarios, so you can be sure you're getting a product that performs at the speed you need.

What's In The Box	WorkForce WF-3530 all-in-one, instruction manual, CD-ROM with drivers and bonus software,[6] power cord, telephone cord, DURABrite Ultra Ink cartridges[11] (four 126- series High-capacity ink cartridges: Black, Cyan, Magenta, Yellow)
Software Included	Epson printer driver, Epson Scan, ABBYY® FineReader®[6]
Warranty	One-year limited warranty in the U.S. and Canada
INK	
Ink Type	DURABrite Ultra pigment ink (smudge, fade and water resistant)
Ink Palette	Cyan, Magenta, Yellow and Black
Ink Cartridge Configuration	4 individual ink cartridges
Fade Resistance / Print Longevity[12]	Up to 118 years
Replacement Ink Cartridges[11]	126 High-capacity Black, Cyan, Magenta, Yellow 127 Extra High-capacity Black, Cyan, Magenta, Yellow

† ISO ppm is based on ISO/IEC 24734. Black and color print speeds are determined in default, letter-size, single-side mode, in accordance with ISO/IEC 24734. Black and color 2-sided print speeds are determined in letter-size, 2-sided mode, in accordance with ISO/IEC 24734. Actual print times will vary based on system configuration, software, and page complexity. See www.epson.com/printspeed for details, including complete ISO reports.

†† Black and color copy speeds (cpm) are determined in default, single-side mode, in accordance with ISO/IEC 29183. Actual copy times will vary based on system configuration and page complexity. See www.epson.com/copyspeed for details.

1 Fastest in its class; printing black text in default, 2-sided mode, in accordance with ISO/IEC 24734. Compared to inkjet all-in-ones priced at $199 or less, as of December 2011, based on manufacturers' published rated ISO speeds.

2 Compared with best-selling color laser all-in-ones priced at $450 or less, as of February 2012. Calculation based on continuous printing and prices of multi-pack ink cartridges. Actual savings will vary based on print task and use conditions.

3 Most features require an Internet connection to the printer as well as an Internet- and/or email-enabled device. See www.epson.com/connect for a list of Epson Connect enabled printers and compatible devices and apps.

4 Improved durability over the previous model. For more information, go to www.epson.com

5 Wi-Fi CERTIFIED™; level of performance subject to the range of the router being used. Visit www.wi-fi.org/files/11nbasics_glossary.pdf for more information. Wi-Fi Direct may require printer software.

6 Some applications and/or functions may not be supported under Mac OS X.

7 Compared to best-selling, color multifunction laser printers priced at $399 or less as of April 2012. Actual power savings will vary by product model and usage.

8 See our website for convenient and reasonable recycling options at www.epson.com/recycle

9 SmartWay is an innovative partnership of the U.S. Environmental Protection Agency that reduces greenhouse gases and other air pollutants and improves fuel efficiency.

10 Monthly duty cycle is the highest duty a user could expect in a month, based on near-constant operation for a device of this kind. It is not recommended that the device be run at this duty. For best device performance, run the device at the recommended duty.

11 Replacement cartridge yields are based on ISO/IEC 24711 tests in default mode printing continuously. Cartridge yields vary considerably for reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink color. All ink colors are used for printing and all-in-one maintenance, and all colors have to be installed for printing. For print quality, part of the ink from the included cartridges is used for printer startup and a variable amount of ink remains in the cartridges after the "replace cartridge" signal. For details, see www.epson.com/cartridgeinfo

12 Display permanence based on accelerated testing of prints displayed under glass in indoor display conditions; album permanence based on accelerated testing of prints in dark storage conditions. Actual print stability will vary according to media, printed image, display conditions, light intensity, temperature, humidity and atmospheric conditions. Epson does not guarantee the longevity of prints. For maximum print life, display all prints under glass or UV filter or properly store them.
