

KONICA MINOLTA

PagePro 1250W

TECHNICAL DATA

Printing Process

Print Method: Electrophotographic laser
Print Speed: Up to 16 ppm (A4)
Resolution: 1200 x 1200 dpi
Recommended Duty Cycle: 15,000 prints per month maximum
First page print: 15 seconds

Hardware and Software Capabilities

Memory: 8 MB SDRAM (standard/maximum)
Operating System Compatibility: Windows 95/98/Me/NT 4.0/2000/XP
Standard emulation: GDI

Interface Support

Standard Interfaces: USB and IEEE 1284 parallel interfaces supporting Microsoft 'Plug and Play'

Paper Handling

Standard Paper Input: 150-sheet multipurpose tray
Optional Paper Input: 500-sheet Lower Feeder with A4 cassette
Standard Paper Output: 100-sheet face-down output tray
Optional Paper Output: 20-sheet face-up output tray
Paper Sizes Supported: 150-sheet multipurpose tray: A4, Letter, Legal, B5(JIS) A5, Executive/Invoice, Chinese 16K, Chinese 32K, B5(SO), Statement, Envelope Com 10, Envelope C5, Envelope DL, Envelope Monarch, Envelope C6, Chou 3, Chou 4, Japanese Postcard
Duplex Printing: Manual
Printable Area: Guaranteed: 4 mm from all edges of the paper
Paper Weights: Plain paper: 60 – 90 g/m²
Thick stock: 90 – 163 g/m²
Print Media: Plain paper, thick stock, OHP transparencies, laser-quality labels, envelopes, and Japanese Post Office standard postcards

Model Specific Features

Features	PagePro® 1250W
Print Speed	16 ppm (A4)
Resolution	1200 x 1200 dpi
RAM Memory	8 MB

Key = * Optional • Standard

Physical

Type: Laser printer with internal controller
Dimensions w/input & output trays extended (WxDxH): 401 mm x 263 mm x 263 mm
Weight (without shipping carton): 8.5 kg
Carton Dimensions: 515 mm x 362 mm x 381 mm
Weight (as shipped): 10.6 kg

Electrical

Power Requirements:
220/240V Model: 220/240 VAC ±10%, 50/60 Hz ±3%
Power Consumption (220V/240V): 850 W max
Energy Star Compliant*

Environmental

Temperature Requirements: Operating: 10° to 35° C with maximum fluctuations of 10° C per hour
Humidity: Operating: 15% to 85% RH with maximum fluctuations of 20% per hour
Noise Levels: Operating: <62 dB(A) Standby: <30dB(A)

Regulatory/Safety Conformity

UL, cUL, TUV/GS (EU), CB International, NOM (Mexico), IRAM (Argentina), FCC Class A, Industrie Canada Class A, EU Class A, VCCI Class A, CE markings for EU, cTick Mark for Australia, Energy Star (US and Japan).

Consumables¹

Starter: Monocomponent dry toner cartridge yields up to 1,500 pages (letter/A4) at 5% coverage, continuous printing.
Standard Replacement: Monocomponent dry toner cartridge yields up to 3,000 pages (letter/A4) at 5% coverage, continuous printing.
High-Yield Replacement: Monocomponent dry toner cartridge yields up to 6,000 pages (letter/A4) at 5% coverage, continuous printing.
OPC Drum: OPC drum cartridge yields up to 20,000 pages (letter/A4) at 5% coverage, continuous printing.

Warranty Period and Conditions

1 year Return to base (not available in all areas)

¹ The stated life expectancy of each consumable in your printer is based on printing under specific operating conditions such as page coverage for a particular page size (5% coverage of letter/A4). The actual consumables life will vary depending on the use and other printing variables including page coverage, page size, media type, continuous or intermittent printing, ambient temperature and humidity.

* The addition of some options, in some combinations may cause the product to become non-compliant. Energy Star compliance does not represent an EPA endorsement of any product or service.

KONICA MINOLTA

PagePro 1250W

THE LASER
PRINTER
WITH REAL
PUNCH

Small, fast desktop
printer for Windows®

PagePro 1250W

Personal laser printer for business users

The PagePro 1250W is a high performance personal laser printer, which you can rely on to quickly print lengthy professional quality documents without any problems. The printer's compact size allows you to keep it on your desk, ready to speed through your printouts, without cluttering up your workspace.

Fast Printing of Single Pages & Documents

At 16 pages per minute the PagePro 1250W will make light work of your personal lengthy documents, no matter how much information you squeeze onto each page. With a first print out time of less than 15 seconds, the PagePro 1250W avoids tiresome warm-up periods and allows you to quickly print single sheets on demand.

BASICS

Compatibility

Windows 95/98/Me/NT 4.0/2000/XP

Print speed

16 ppm (A4)

Output

up to 1200 dpi

Memory

8 MB RAM

Interfaces

USB, IEEE 1284 parallel

Paper size and input

up to A4
150-sheet multipurpose tray

Business laser printer for small windows workgroups and privileged users.

OPTIONS

Paper output

- Add 20-sheet face-up output tray to reduce curling when printing on thick stock

Professional Quality Printing

The PagePro 1250W has been designed to produce no-compromise 1200 x 1200 DPI prints, which have indistinguishable quality from pages produced on expensive workgroup printers. These high quality printouts are suitable for use in all professional business purposes including reports, correspondence and presentations.

Low Purchase Price and Low Running Costs

With a low purchase price, high capacity toner cartridges which don't need frequent replacement and plain paper printing, owning and running a PagePro 1250W is not an extravagance, it's a tool for everyday use.

Compatibility with Microsoft Windows

The PagePro 1250W has been extensively tested and certified by Microsoft to be fully compatible with the latest Microsoft Windows Operating Systems. It also supports Microsoft Plug and Play to make it's installation quick and simple via either your PCs Parallel or USB interfaces for full laser speed printing.

Paper size and input

- Add a 500-sheet cassette for longer printing without interruption
