Covering your entire workflow

MP C2030 / MP C2530

- Sharp and high-quality colour output with new PxP™ toner.
- Excellent productivity at 20/25 ppm in both colour and B/W.
- Duplexing at simplex speed.
- Exceptionally wide media handling.
- All-round functionality: copying, printing, scanning and faxing (optional).

Superb colours

Your colour output will look crisp and accurate due to the MP C2030 / MP C2530's PxP™ toner. Quality remains consistent even during longer runs. Print resolution is an excellent 600 dpi.

Wide media range

Creating reports, handouts or flyers? The MP C2030 / MP C2530 handle a truly wide variety of paper types. They accept sizes between A3 and A6, from light (52 g/m² via the bypass tray) to heavy (256 g/m² via standard and bypass trays). Glossy and coated papers or card stock are processed effortlessly. Even envelopes and transparencies can conveniently be fed via the standard bypass tray.

Excellent productivity

Duplex printing at simplex speeds: not all machines can do it. The MP C2030 / MP C2530 print and copy at 20/25 ppm in both monochrome and full colour. First copy speed is less than 6.5 seconds for B/W and less than 9.5 seconds for full colour.

Standard printing capabilities

The new MP C2030 / MP C2530 have all basic printer features as standard. Enjoy their functionalities with the straightforward icon-based RPCS™ driver, or with the optional PCL driver. Your B/W and colour prints can even be sorted electronically for extra convenience.

Reliable engines

The MP C2030 / MP C2530's engines are the fruit of years of Ricoh expertise. Their new tandem 4-drum design ensures reliable operation. A simplified paper path reduces the risk of jams, and your machine is continuously available. With a maximum paper capacity of 1,600 sheets, refills are kept to a minimum.

We think green, and you?

'Green' is not just a colour for Ricoh – it is an attitude. Our PxP™ (polyester x polymerisation) toner is produced with significantly less carbon oxide emission than conventional toners. A more direct benefit for you is the MP C2030 / MP C2530's standard duplex unit. Saving paper is kind to the environment as well as to the company budget.
