

Samsung Colour Laser Multifunction Printers CLX-3185/N/FN/FW

Key Features:

- Colour, Print, Copy, Scan and Fax² all from one device
- Compact Size fits easily into any home or small office
- Print Screen button for immediate, on-screen printing¹
- Fast Print Speeds of 16/4ppm (mono/colour)
- First Page Out Time of less than 14/26 seconds (mono/colour)
- Quiet Operation at less than 48/46dBA (when printing mono/colour)
- Improved Print Quality with up to 2,400 x 600 dpi
- Input Capacity of 130 sheets and output of 80 sheets
- Standard Cartridge Yield of 1,500 pages (mono) and 1,000 pages (colour)
- Copy – 2 and 4-Up, ID Card, Autofit, Poster and Clone
- Print directly from USB or scan directly to USB

¹CLX-3185 only ²CLX-3185 FN/FW only

A small multifunctional printer with big features - the CLX-3185 series is bursting with functionality. Featuring colour Print, Copy, Scan and Fax² capabilities straight from your desktop, the CLX-3185 series enables you to complete your office tasks with ease and style. The Samsung CLX-3185 series is the ideal multifunction solution for the home or small office. Its compact design and NO-NOISTM technology make it one of the smallest and quietest multifunctional devices available. Designed to deliver total printing versatility, the CLX-3185 series offers users benefits such as:

- The unique one-touch Print Screen button¹ is the quick and easy way to print the exact contents of your screen without the usual format changes needed for printing content from sources such as web pages.
- Delivers consistent, cost effective, high quality documents that are durable and professional looking for longer.
- Various connectivity options with simple installation across all major operating systems, bringing instant productivity.
- Easily consolidate two or four pages into one, or colour to mono with the Eco-Copy Button, saving time, paper, toner, cost and the environment.

Top 3 Reasons to Buy:

1

Ease of Use:

- Easy plug and play installation that enables instant productivity
- One-touch Print Screen button¹ allows for quick and easy on-screen printing
- Switch to energy-saving standby mode at the touch of a button
- Freedom to print from anywhere with one-touch WPS and DLNA, for quick and easy connectivity at the touch of a button²

2

Efficient Performance:

- Powerful multifunctional colour solution and longer-lasting toner offer a surprisingly small total cost of ownership and promote energy efficiency
- Samsung's Polymerized Toner produces sharper images with a wider colour range
- Fast colour laser printing, scanning, copying and even faxing means less waiting time

3

Innovative Design:

- Small and compact to fit neatly anywhere in your home or small office
- Stylish glossy and matt piano black colour exterior
- NO-NOISTM Technology guarantees a low noise level for minimal disturbances
