ML-1210

Samsung Laser Printer

- Fast 12ppm Print Speed
- Efficient Saving Features (Toner, Paper, Power, Time)
- 8MB Memory
- Great Compatibility with Linux, Macintosh, Windows
- Compact Size Design

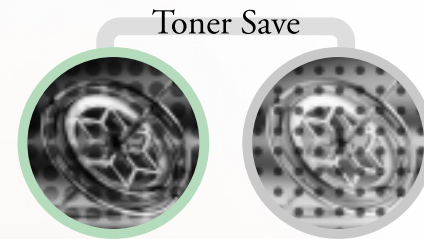

Yes! It's a Speedy laser for you.

The SAMSUNG ML-1210 Laser Printer gives you outstanding results with a fast printing speed of 12ppm and 600dpi high resolution. High performance, cost-effective functions, the toner save button and N-up mode provide you with the ideal printing solution. These benefits are the key to better communication.

Push & Save

• Toner Save

Samsung's ASIC chip technology reduces toner usage by controlling the size of each printed dot making it ideal for printing drafts. Printouts in Toner Save mode are slightly lighter but with the same accuracy as in normal mode. Simply push the Toner Save Button and save on printing costs.

• Paper Save

ML-1210 has a special N-up function for printing up to 16 pages on a sheet. (N-up Mode)

• Power Save

Save immediately on power consumption by allowing the Printer to go into Power Save mode.

• Time Save

You can print out the last page with a simple one-touch "Reprint" button even if the PC is off or you are working on another job. And "Cancel" button stops the print job instantly, so that you don't have to waste any paper.

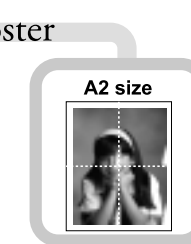

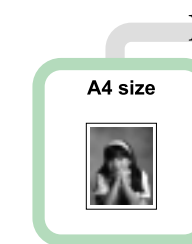

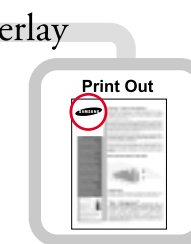

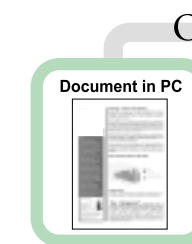

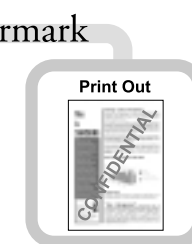

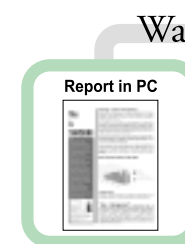

Powerful Printing Performance

- Fast 12ppm Print Speed with Powerful 66MHz processor
- Real 600dpi Resolution
- Sufficient 8MB Memory
- The Lowest Noise Level (46dB)

Convenient Features

- IEEE 1284 & USB Standard
- Various OS Support : Use easily in any OS environment.
Window 95/98/2000/Me/NT4.0/ XP, Linux, MAC (Mac OS 8.6 i t)
- Compact Size (13 1/2" x 13.9" x 9 1/4") for your desktop
- Special Print Modes
Watermark, Overlay, Poster

Versatile Paper Handling

- 150 Sheet Universal Input Tray
- Special Media Sheet Feeder
Envelopes, labels, card stock or transparencies.

Great compatibility with Linux

- Support various kinds of Linux (Redhat, SUSE, Mandrake, and more)
- Simple installation with intuitive Graphic User Interface.
- Worry-free operation with auto check & rescue function.
