Samsung Mono Laser Multifunction Printers SCX-3200/3205/3205W

Key Features:

- Print, Copy and Scan all from one device
- Ultra Compact elegant design fits easily into any home or small office
- Print Screen button for immediate, on-screen printing¹
- Eco Print button and Soft Power button to save paper and energy
- Print Speeds up to 16ppm in A4
- First Print Out Time of less than 8.5 seconds (from Ready Mode)
- Improved Print Quality with up to 1,200 x 1,200 dpi
- Quiet Operation at less than 49dBA
- Standard Cartridge Yield of 1,500 pages
- 150-sheet input capacity, 50-sheet output capacity

Samsung's compact multifunctional mono printer range is full of functionality and convenience for any home or small office. The SCX-3200 series with Print, Copy and Scan capabilities, delivers high quality documents straight from your desktop, and enables you to complete your office tasks with ease and style. With simple Wi-Fi connectivity² and a convenient compact design the SCX-3200 series is one of the lightest and flexible multifunctional devices available. Designed to deliver total printing versatility, the SCX-3200 series offers users benefits such as:

- The unique one-touch Print Screen button¹ is the quick and easy way to print the exact contents of your screen without the usual format changes needed for printing content from sources such as web pages.
- Delivers consistent, cost effective, high quality documents suitable for everyday demands.
- Flexible connectivity options with simple installation across all major operating systems, bringing instant productivity and one-touch wireless connectivity² for even greater flexibility.
- Easily consolidate two pages into one with the Eco-Print Button, saving time, paper, toner, cost and the environment.

¹SCX-3200/3205 only ²SCX-3205W only

Top 3 Reasons to Buy:

1

Ease of Use:

- Easy plug and play installation that enables instant productivity
- One-touch Print Screen button¹ and AnyWeb print software for quick and easy on-screen printing
- Utilise the environmentally-friendly Eco Print feature at the touch of a button
- Freedom to print from anywhere with Wi-Fi connection², which can be easily set up with the one-touch WPS (Wi-Fi Protected Set up) button

2

Efficient Performance:

- Powerful mono multifunctional range for a surprisingly small total cost of ownership, integrated with a variety of energy-efficient solutions
- Samsung's toner consumables last longer with a high toner yield of 1,500 pages
- Fast mono laser printing, scanning and copying means less waiting time for your documents

3

Innovative Design:

- Small and compact to fit neatly anywhere in your home or small office
- Elegant and stylish exterior – ideal for the contemporary home or office
- Quick and easy operations panel with an innovative LED indicator

Range Positioning:
