- 600dpi CCD Color Scan for Vivid Image Scanning
- 3sec Quick Fax Transmission with Super 33.6Kbps Modem
- Color Fax Sending Capability
- Sufficient 4MB Memory (Save up to max. 320 pages)

Push & Save

Samsung's unique features offer you the lowest running cost solutions.

- Toner Save
With the SAMSUNG SCX-5312F, you can save toner by controlling the size of each printed dot. With the superior capability of the Samsung ASIC chip, printouts in Toner Save mode are a little lighter but as accurate as in normal mode. It's very useful when printing drafts. Push the Toner Save Button, save printing costs and get a high quality printout.
- Paper Save
In Paper Save mode, you can copy 2 pages on 1 sheet of paper (2-up copy)

- Power Save
If the SCX-5312F is not used for a period of time, the Copier goes into Power Save mode to save on power consumption.
